

WINTER LEAGUE TO PLAY ON SATURDAY

San Bernardino and Chicago Colored Giants to Clash on Evans Park Diamond at 2:30 O'clock—Chicago Team Is Very Fast.

Baseball fans of this city are to see some big league baseball next Saturday when the San Bernardino Winter leaguers will open here with the Chicago Giants on the Evans park diamond. The game will be called at 2:30 o'clock.

The Chicago Colored Giants are looked on as the greatest colored team of ball players ever brought together. This is the team that wanted to play the Chicago Federals for the world's championship at the close of the Federal schedule, and after the American and National league directors passed up the Whales.

The ball being played by the Giants indicates that they are in the same class as the other teams in the league, notwithstanding the others are made up of the best in the major and minor leagues that can be scraped up in this part of the country.

Plans are now being made for a parade on the day of the opening. The automobile men of the city will come to the rescue of the team managers and assist them in making the opening event a creditable one.
