

# LINCOLN GIANTS TO PLAY HERE FRIDAY

---

Owing to the bad weather the game scheduled between the Lincoln Giants of New York and the Bridgeport Stars was not played today at Newfield park. Arrangements were completed this morning to have the contest take place Friday. The local boys will use Johnny Barron, Speed Finn and White in the box, as they originally planned. The game will start at 3:45 in order to accommodate the U. M. C. employes.
