

## IRONSIDES VS. LINCOLN GIANTS.

### Newark Champions Will Meet Locals at Olympic Field.

Newark's semi-pro champions, the Ironsides, will make their farewell appearance of the season in Manhattan this Sunday in a game with the Lincoln Giants at Olympic Field, 136th street and Fifth avenue. The Ironsides played the Lincolns about six weeks ago and lost in the eleventh inning through a rally by the locals. That game was full of sensational fielding. The Ironsides will have their star battery, Kurfess and Kelly, in the points, and Williams and Wiley will work for the Lincolns.

In the first game the D. S. C. team, which early this season held the Lincoln Giants to a 3 to 2 tally, will be the opponents of the Harlem crew. That game will start at 1.30.
