

ROYALS VS. BUSHWICKS.

**Will Meet in Double Header at
Dexter Park To-day.**

The Royal Giants, after an extended trip through several Eastern States, will make their reappearance in Brooklyn this afternoon, when they clash with the Bushwicks in a double header. The games will mark the ninth and tenth of their fifteen game series. To date the Bushwicks have won four games, the Royals three, and one resulted in a tie. The Bushwicks are travelling at top speed and should make things interesting for their opponents. Ryan and Brookes will be the Royal pitchers and Williams and Spiers will work for the Bushwicks.

The Bushwicks will have Holeman behind the bat, and Santop, the Royals' home run batter, will catch for the visitors.
