(By Cary B. Lewis.)

CHICAGO, Ill., July 14.—There was another record breaking crowd at the double header Sunday at the American Giants park. It was the fifth game in the series of the Giants vs. The Cuban Stars. The Cubans won the first game and tied in the sixth inning and the two teams played great ball up to the

tenth inning when the game was called by Umpire Goekle on account of darkness. Wickwire was on the slab in the first game and a sudden attack of slabs drove him from the mound and Gatewood went in. He was not there long before Whitworth held them down when the score reached 10 to 4. The best game was the last one when "Rube" went to the mound. The Giants lost the game on errors at short and

home plate, two positions badly in need of good men. Foster did some fine work, displaying brilliant baseball knowledge. Torrenti was sent to the bench for kicking to Umpire Goekle. The spunky Cuban donned his street clothes and came to the bench again. He was admonished to leave but not until an officer of the law invited him to the grandstand. During the intermission Mr. Schorling did not issue any passes to go outside. There was no such thing as going across the street to get any "tea." This had been cut out entirely this year, so govern yourselves accordingly. The crowds this season have been exceedingly large, but there has been entirely too much noise on part of some of the fans, not in the bleachers but in the grandstand. Mr. Foster should instruct the officers to see that these loud mouth bolsterous people should deport themselves as sane people. There can be as much quiet here as there is at the big league if the managers would only require it.

**Gatewood Stops Sequence of Cuban  
 Victories, 7-0.**

Big Bill Gatewood pitched the Amer-  
 ican Giants to their first victory over  
 the Cubans Thursday, July 8, when the  
 home team at Schorling's park went  
 a 7 to 0 contest. Only three hits were  
 chalked against Gatewood, while Junco  
 was hit eight times. Two costly errors  
 and a lot of loose fielding gave the  
 Giants over half of their tallies un-  
 earned. The next game will be staged  
 tomorrow. Score:

**Cuban Rally Beats Giants.**

Five hits in a row, with two errors,  
 enabled the Cubans to sew up their  
 last game with the American Giants at  
 Schorling's park Monday, July 12, giv-  
 ing them the series, five out of six  
 games. The final count was 6 to 0.  
 Big Bill Gatewood was chosen to hurl  
 for the Giants, but he was warmly  
 received, twelve hits being made off  
 him. Pedroso avenged himself for  
 Sunday's defeat, where he was knocked  
 off the hill, by holding the home team  
 to four scattered hits. Score:

Totals	-----	0	4	27	16				
Cubans	-----	0	0	0	1	5	0	0	0
Am. Giants	-----	0	0	0	0	0	0	0	0

Errors—Allison, Gatewood. Struck out—By Pedroso, 5; by Gatewood, 2. Bases on balls—Off Pedroso, 3; off Gatewood, 1.

**BASEBALL NOTES.**

Duncan is still unable to play. It is said that the ligaments in his leg are impaired.

Figarola received a severe finger bruise in Monday's game. He was relieved by Rodriguez.

Corporation Council Anderson was in the George Holt party on Sunday. Mr. Holt as usual was in his big car.

Geokle is one umpire that sticks to his decision. All the kicking and fussing don't amount to a row of pins with him. He's just the man.

There was no game on Friday. The boys took a rest and were to have played on Saturday of last week, but it rained. There was a double header on Sunday.

Watts, catcher for the American Giants, got hit with a ball on Sunday. Junco banged the ball right on Watts.

head and it bunched 100 feet high  
and with a smile he marched to first  
base. Some head!
