
AMERICAN GIANTS WIN ONE AND LOOSE ONE:

(By Cary B. Lewis.)

Chicago, Ill., August 17.—The Cuban Stars seem to be the whole show this season, that is, they proved it on last Sunday, but on Tuesday when the crowd was small the American Giants turned the tray. A good sized Sunday crowd was present and the Cubans grabbed the game by a score of 10 to 3. It was the opening of the second series with the Islanders. It was Patron's first time to use the pill-bite and he proved to be a clever pitcher, holding the Giants down to two scratch hits. It was a sorry day for the home team, as they had to run off their feet to keep up the long drives by the Cubans. At one time Jenkins had to wade in a pond of water to get a clean hit in left field. Patron, however, let down in the ninth, and two errors and a single, combined with three bases on balls, gave the Giants three runs. The Islanders made thirteen hits off Wickware, although he struck out eight men.

Giants Win Tuesday.

There was no game of baseball today, owing to a hard rain, but on Tuesday the American Giants won their game, 3 to 0, over the Cubs in a fine game, though the crowd was small, the weather being very cool. The two teams will play Sunday afternoon gave the "boys" a good rest on Tuesday, letting them know that more is expected of them. Hundreds of visitors will be expected to see them play all next week.
