

CUBAN STARS IN BROOKLYN.

Will Meet the Bushwicks in Double Header at Dexter Park.

The Cuban Stars, who attracted the biggest crowd ever seen at Dexter Park on Decoration Day when they took both ends of a double header from the Royal Giants, will meet the Bushwicks in a twin bill at Dexter Park this afternoon. Besides taking the measure of the Royals, the Cubans have chalked up victories over the Lincoln Giants and the Dougherty Silk Sox of Paterson.

While the Bushwicks have shown exceptional form this year, both in fielding and batting, winning consistently, they will be pitted against the speediest combination they have yet faced in the visitors from Havana and will have to go some to win. Hageman, Brooklyn's star schoolboy pitcher, will face the Cubans in the first game.
