

Fred Oberg and family were about all the Braddock people that accompanied the ball team to Linton Sunday. The other Braddock folks went to Hazelton to see the Rats in action.

The second teams of Hazelton and Linton played ball Sunday forenoon on the Linton diamond and Hazelton won eleven to eight. The youngsters put up some fair base ball and the batting was exceptionally good.

Linton has a new addition to its ball team in Dahms, a shortstop from Eureka. In the Sunday and Monday games he showed up well both in fielding his position and at bat. He will strengthen the team materially in the coming tournament.

A number of Linton people autoed to Strasburg Tuesday afternoon to see the base-ball game between Strasburg and the Tennessee Rats. Strasburg won the game by a 2-to-1 score. Suman, of Linton, caught for Strasburg and won the game with a home run with one man on base.

The Tennessee Rats, an aggregation of colored gentlemen, played base-ball in Linton Monday afternoon with the local team, winning by a 6-to-3 score. The game was very interesting and the locals put up a strong defense. The Rats are strong with the stick and to that department may be attributed their victory. The score stood a tie in the seventh inning and then a hitting rally gave them the lead. It was interesting enough, however, to satisfy the crowd. In the evening their band furnished the music for a dance. Saturday and Sunday they played at Hazelton, losing the first and taking the second contest handily.
