

Brandeis Crew Is Victor Over Rats From Old Tennessee

The Tennessee Rats made their first appearance at Rourke park, before a large Memorial day crowd and were vanquished by the Brandeis stores by a 3 to 0 count.

Olson worked along in smooth fashion and was invincible at all times. But one visitor reached third base, by grace of an error and a wild pitch, but he suffered his demise when Olson fanned Little for the final out.

The Brandeis copped the battle in the opener. Dygert was punctured and Rohen moved him along with a sacrifice. Dygert set out for third on the play and continued his journey when Gates dropped a throw from first. Graham followed with a safe one and score on Lawler's first double.

The Tennessee Rats return to Rourke park on Saturday and Sunday for return engagements with the Brandeis. Score:
