

# UNION GIANTS TO PLAY HERE AGAIN LATE THIS WEEK

**To Have Another Series With  
Armours, Local Semis;  
Colored Team Has  
Been Strengthened.**

The Armour ball club is having one of its most successful seasons meeting all comers and presenting a good front to all. They have played 15 games so far, winning 11 and losing 4, losing two games to the Omaha's, one game to Shenandoah and one game to the Chicago Union Giants. They have beaten Nebraska Power Co., Nebraska City, Plattsmouth, Lincoln Cleaners two games, Kansas City Tigers three games, Tennessee Rats one game and Chicago Union Giants two games.

Old man Andy Graves is the pitching star, having pitched and won six games. Dyck pitched four, winning three, while Sullivan and Merz each turned in a win. The team is playing a nice fielding game and the catching of Ryan is particularly brilliant. The batting has improved until there is no concern in this department and the base running end is well taken care of with such speed merchants as Al Graves, Jimmy Collins, Reed and Marty Collins.

Manager Otto Williams is getting lots of inside base ball out of the team and everybody is interested to win. How good the team is going will be shown in the series which the Armours open with the Chicago Union Giants on Saturday and Sunday, July 26 and July 27. This club has been strengthened since its last appearance here, having two crack players in McNear and Peters, two of the best colored players in Chicago. Manager Gilkerson emphatically states he will take two out of three games from the Armours, which Williams says can't be done.

Following is list of games booked by the Armours: July 26 and July 27, Chicago Union Giants; August 3, Nebraska City; August 10, Fremont; August 12, 13 and 14, Shenandoah; August 17, Greenwood; August 23 and 24, Chicago Union Giants; August 31, Grand Island and all September will be booked for Rourke park. Other attractions promised is Joe Stecher's Dodge team with the redoubtable Joe himself in the role of manager and first baseman.
