

Lake View defeated the fast Gowrie ball team 5 to 3 at Reed's Grove last Sunday, and next Sunday, Aug. 12, will use a league battery in a game with the ORIGINAL Tennessee Rats. Lake View expects to win. Reed Bros., managers of Reed's Grove and H. P. Fagan, manager of the Lake View ball club, wish to say to the public that they will be protected from fraud and deception in baseball matters and other amusements. The miniature railroad will be in operation next Sunday, and the West Side band will furnish music in the park and on the ball grounds. Watch for large bills. 32-1t
