

BACHARACH GIANTS

HERE SATURDAY

Interesting Schedule of Games For Millville's Speedy Ball Club.

Baseball fans of Millville will be given plenty of sport during the present month. The management of the local baseball team is arranging a schedule of games that should satisfy any lover of the national pastime.

This week there are two big attractions on the home grounds aside from the Bridgeton-Millville contest which will be played in the county seat.

Tomorrow the Chinese will play in this city and on Saturday the Bacharach Giants of Atlantic City will be the attraction. This latter combination is some ball club and may compel the local talent to take to the tall timber but the boys mean to put up a stiff argument.

The Bacharach Giants are composed of some of the speediest dusky ball players in the East and they have created an envious record at the seashore resort where they have trimmed everything that happened along, even trouncing the Chinese by a 5 to 4 score.

What's the matter with this schedule, Mr. Baseball Fan, for the next few days:

Aug. 3, Chinese here.

Aug. 4, Millville at Bridgeton.

Aug. 5, Bacharach Giants here.

Aug. 8, Vineland here.

Aug. 9, Cuban Stars here.

Aug. 12, Anchor Giants here.

Aug. 15, Millville at Vineland.

Aug. 16, Brooklyn Royal Giants here.

Aug. 19, Logan Square here.

Aug. 26, Pleasantville here.

It will be noticed that two games have been scheduled with Vineland, the first to be played in this city next Tuesday. Those who are so anxious to see these two nines come together will be given an opportunity at that time to look over the two clubs in action.

It is very probable that additional games with Vineland and Bridgeton will be scheduled and it is likely that the games between these towns will prove very interesting.
