**TOMORROW'S BALL GAME**

---

**Huckleberry Bunch Will Go Against  
Mohawk Giants.**

Bennington fans will have a rare chance of seeing one of the fastest colored teams in the country when the Mohawk Giants play the local baseball team at Morgan Park, tomorrow afternoon.

This team has been trimming all corners, and the game tomorrow should be an interesting one as Bennington is now going at a good clip.

Last Sunday at Schenectady the Mohawk Giants put it over the Troy team of the New York state league, by a score of 4 to 0. Pappalaw, one of Troy's best twirlers, was on the mound for his team, but the colored aggregation got to him. This is the first colored team to appear in Bennington this season and the fans should turn out in force. Colored teams are always popular with Bennington crowds, because they usually give a first class exhibition of how the national game should be played, and they furnish plenty of amusement in addition. Manager Morrissey is to be congratulated on securing this fast bunch of colored men to play here.

Oh you fans! Turn out tomorrow and see a good game of ball.
