GAME WAS STOPPED BY RAIN

Mohawk Giants of Schenectady One
Run to the Good When
Shower Arrived.

The Mohawk Giants, the team of fast colored ball players that is representing the city of Schenectady on the diamond during the present season won from the Bennington team of the Northern Tri-State league at Morgan park yesterday afternoon by a 2 to 1 score. A heavy shower stopped the game in the seventh inning but while it lasted the game was one of the best played here this year.

The Giants, like all of the players in the traveling colored teams, are "free swingers" with the bat and, as they are a husky, broad-shouldered bunch, when they hit the ball it traveled. Two of these long drives to the outfield won the game for the colored team. One was a home run in the second and the other a three-sacker in the third.

Peloquin was in the box for Bennington and pitched one of the best games he has shown this year. Considering the fact that he pitched in the game against Adams on Thursday his work was all the more creditable. The Giants have beaten some of the best minor league teams in the country and for a "bush" pitcher to hold them to four hits in six and two-thirds innings is "going some."

Outside of the long hits made by the colored players the principal features of the game were the fielding of Conley and Prindle. The short-stop was in the game every minute and the way Prindle took long fly balls into the left garden surprised the Giants. The score:
