

CUBAN STARS VS. LINCOLNS.

Olympic Field, 136th street and Fifth avenue, will be the scene of an excellent attraction on Sunday, when the Cuban Stars of Havana and the Lincoln Giants clash in a double header. The Cubans are travelling at top speed now and should make things interesting for Manager Keenan's star aggregation. For fielding ability, few teams that have shown hereabout have anything on the Cubans. The team has done considerable playing since arriving from Havana and has fared well in the majority of games. Suarez and Armentero will oppose Redding and Williams on the firing line.
