
RATS DEFEATED BY MOORHEAD

Moorhead, Minn., July 1.—The Tennessee Rats, a colored baseball organization, learned some of the finer points of the game in an interesting contest with Moorhead Sunday afternoon, in which the home team won by a score of 11 to 6.

Fielder and Holt comprised the battery for Moorhead, and Fielder has 15 strikeouts to his credit. Both men featured when it came to handling the stick. The colored men started out with a battery composed of Lee and Wilson but in the course of the game three other pitchers were mustered into service.

An attendance of about 800 witnessed the game. The next contest is to be played on the Fourth between Moorhead and the All-Nations.
