

# MOORHEAD IS SPORTY

**Fargo Has to Cross the Red to See the  
Game of Baseball During the  
Summer.**

Moorhead is looming up right well in the way of sports just now. When Fargo wants to see the real thing in baseball, or at least the real thing in the two cities, she has to cross the raging watters of the Red and go to Moorhead.

Fargo in a baseball way, as far as local games are concerned, has dropped clear out of sight and Moorhead has the honor of having the only team in this section which puts up the real article of ball. Of course it isn't real league ball, but it's the best the two towns can afford.

Next Thursday, July 4, the athletics of the sister city will tackle the famous All-Nations baseball team which has been selected for playing ability and there will be two games played, one at 3 in the afternoon and the other at 8 in the evening. The All Nations is a great team and will give the athletics plenty to do.
