
ABERCROMBIE TO HAVE BIG FOURTH

Abercrombie, N. D., July 2.—The little, big town of Abercrombie is laying plans for one of the best celebrations in its history next Thursday, one of the real old time kind with lots of noise and an indefinite number of attractions, some of which are speeches, horse races, foot races, ball games, shows and a big bowery dance.

The Tennessee Rats, a colored ag-

gregation now touring the country will be in the city during the day, and will give one of their big minstrel shows during the day, and their band will furnish music from early to late. The baseball team representing this troupe will play Abercrombie and one of the fastest games seen on the local grounds will result.

M. A. Hildreth of Fargo has been secured to give one of his famous addresses, and also several other noted speakers are on the programme.

An excellent five piece orchestra will furnish the music for the dance which is to take place in the fine open air pavilion at the state park.

The people and merchants of Abercrombie are working overtime in the effort to make this celebration out do any ever held in this part of the country.
