

# FARGO BALL TEAM PLANS BIG TRIP

SERIES OF GAMES ACROSS STATE  
INTO MONTANA OVER N. P. AND  
BACK OVER GREAT NORTHERN  
—FARGO TO BE ADVERTISED  
ON WAY.

Fargo's baseball team this year gives promise of bringing some very valuable publicity to the gate city. From present indications the city will be represented by one of the fastest bunch of players ever gathered together in the northwest.

A schedule is being arranged with teams along the N. P. as far as Butte, Mont., and back over the G. N. to Fargo. This trip will be a booster trip advertising Fargo as the "biggest little city in the world."

Twenty thousand pamphlets and circulars will be distributed, in the cities along both roads telling of the opportunities in the gate city. Each and every business firm in Fargo will be mentioned as well as openings for other lines here.

Games will also be played with Minneapolis and St. Paul organizations here this summer as well as teams from Montana, North and South Dakota.

## Star Players Coming.

Owing to the weather the Fargo professionals called off their practice yesterday afternoon. Pitcher Wasgatt, who was with Freeport in the Wis.-Ill. league last season will arrive over the Great Northern tonight. The big fellow is in the best of condition and is ready to pitch any time.

Hutson, one of the fastest semi-pro players ever turned out of Chicago and who was with Toledo this spring will report Saturday. He is a utility man and can be worked at any position. Gonelock will be used at short, with Foss behind the bat. Thayer, Fortin and Catlin will be seen in Fargo uniforms. Thorpe will be given a thorough tryout as Al looks mighty good this spring. Morse will report in a few days and also Yetter. Both these twirlers have had minor league experience. Blondy Leise is in great shape and will work for Perry Werden Sunday at Minneapolis against the St. Paul colored gophers and will then set sail for Fargo. Fortin is now in great shape and will be used in the box in his regular turn.

The gate city baseball enthusiasts can rest assured that Fargo will be represented with one of the cleanest and strongest ball teams in the northwest. The management states that no booze fighters or rounders will hold a berth on his team. The subscription list is coming along fine and there is no doubt that the fans will come across to support a real live proposition.
