

# COLORED GOPHERS PLAY ATHLETICS

Arrangements have been definitely completed whereby the Athletics will play a series of three games with the fast Colored Gopher team of St. Paul, during July 3 and 4.

This team played here last year and Fargo fans will recall this game as the best of the season.

Crookston will be here for a game June 12. That city has the fastest amateur team in northern Minnesota and will give the Athletics a hard game.

Other fast teams, such as Hope, and Grand Forks will play here, and withal a very good schedule has been arranged.

With everyone boosting Fargo will have the best amateur team in the state, and some good games are assured.
