## DEVILS LAKE SEEMS TO BE PLAYING AGAINST HARD LUCK THE PAST WEEK.

Devils Lake's team seems to have lost their rabbit's foot and found a hoodoo, as they have only been able to win one game the past week. True they have been going up against some of the best of them, but their losses, in several instances at least, were due to errors at critical times. Probably the hardest proposition that they have had to meet during the week was the Colored Gophers, of St. Paul and one of the games with them was lost by errors in left field, the score standing 2 to 4 at the end of the game. In this game the left fielder lost three out of four flies knocked to him, and in two cases let in runs by the muff. The other teams met during the past week were Brinsmade and York, two of the fastest teams in the state. The results were as follows:

Thursday Brinsmade 5, Devils Lake 4, in a ten-inning game.

Friday afternoon Gophers 7, Devils Lake 0.

Friday evening Gophers 4, Devils Lake 2.

Saturday afternoon Devils Lake 5, Hampden 4.

Sunday afternoon York 5, Devils Lake 4.

Monday afternoon York 7, Devils Lake 4.

Tuesday afternoon York 4, Devils Lake 1. Game called at end of 4th inning on account of storm.

Wednesday evening York 7, Devils Lake 2.

As we go to press Devils Lake is playing the Ft. Totten Indian team at Chautauqua. They will also play today.

Saturday and Sunday Devils Lake and Cando will cross bats.

Devils Lake Inter-Ocean, Devils Lake, ND
