

VALLEY CITY'S FINE RECORD

An unusually large crowd is expected at the ball game Sunday between Valley City, the new champions of North Dakota and the Fargo Athletics. Many people are coming from Valley City to attend, and watch the Athletics strip them of their newly won laurels. This may be a difficult task for the champions have won forty out of forty-eight games this season and have not lost a series to any team. They beat Jamestown 7 out of 8, Minot 5 out of 9, and tied the tenth. They defeated the St. Paul Colored Gophers 2 out of 3 and Linton 3 out of 5. The game will be called promptly at 3 o'clock.
