

# COLORED MEN PLAY FAST BALL

**GOPHERS COMING NEXT WEEK  
TO CROSS BATSWITH ABER-  
DEEN BALL TEAM**

Aberdeen baseball fans are greatly interested in the games scheduled for next week with the Gophers of St. Paul.

This aggregation has a reputation for fast playing and will give the locals something worth while in the way of defending the home diamond. The Gophers are colored fellows and are right up to the top notch in the independent baseball lists.

While the Aberdeen team realizes the gravity of the situation in the contest with the colored men they are going to put up the battle of their lives and make it interesting for the visitors.

The probable lineup for Aberdeen will be: Metz, pitcher; Gregory,

pitcher; Nystrom, first base; Freer.  
second base; Harbour, short stop;  
Osgood, third base; Crow, center;  
Young, right field; Jacques, left  
field.
