

Rube Foster's American Giants will make a swing eastward in August playing the Cubans in Pittsburg and then proceeding to Atlantic City, Philadelphia and other points east. Some class—and of course Mr. Davy Wyatt will go along.

This is everybody's column so, don't be surprised if during the course of time you find yourself mentioned in here. To start with here's a story told me the other day by Mister Moses Flagg. You know Mose has got himself a chicken farm out south where he spends his time gathering in eggs and selling them. Mose says during his younger days he was working at a hotel in Detroit and one of his fellowmen had a Yiddish man for breakfast, being promised by the same a dime if his meal was hurried to him. This waiter by the name of Jim did the hurrying but Hon. Yiddisher failed to keep his promise. Some disagreement with the head waiter caused Jim to quit and take the boat to Erie where he got another job. Two days later he went to his station one evening only to find this same Yiddishman and Hon. Yiddisher seeing Jim called to the head-waiter in frenzy "Take 'im away, Take

'im away." The dining room was all excited and the headwaiter rushed to see what the trouble was, while Hon. Yiddisher screamed "Mine Gott, take 'im away, take 'im away, he foll me all ze way from Detroit for a dime"—and the folks in the room roared with laughter.

There seems to be a great deal of argument as to whether Charleston or Torrenti is the best fielder of the Giants, also the best hitter. We say Charleston because he displays more real head work and more baseball brains than does the

## **CUBAN STARS TAKE 4 TO 1 GAME FROM SQUARES**

A queer break in the sixth cost the Logan Squares their game against the Cuban Stars, 4 to 1, at Logan Square park. After both sides had scored a run in the opening inning Bara of the Cubans started things in the sixth by slashing a hot single to center. Pedrosa walked. Villa's infield out advanced both runners a base. Campos then laid down a slow roller to "Buck" Freeman, who momentarily fumbled the ball but threw to Weiss in time to get the batter, Bara scoring. On the play Pedrosa also dashed for the plate and counted when Weiss threw the ball too late to nip him. The Cubans then made their victory sure by scoring another run in the eighth on a single by Portuondo, a stolen base and a double by Pedrosa.
