
Los Angeles, Calif., May 3. — The Los Angeles White Sox opened their park and played their first game of the season Sunday, April 25th and with success, having a crowd of about 4000 fans. The White Sox played a good game from the start, but weakened in the 6th inning allowing the visiting team to gain a lead they could not overcome. Scott, a new pitcher did some good work on the mound, but it seems he did not have good control of his curves. Baker, the Johnny Archer of the Pacific coast, was there with the good behind the bat.

Stars Win Fourth Straight Victory

**Cowpers Put Up Good Argument, But
Lose by 6 to 3.**

Detroit Stars knocked off the Cow-

pers at Mack park Sunday before a large crowd, 6 to 3.

Both teams put up a corking good game, the Stars winning the game by mixing hits with Tamier's wildness in the fifth inning, five runs resulting. Cooper, the colored champ's star left-hander also was wild, but kept the west siders from hitting with men on base. Tanner held the Stars to five hits which is very creditable considering the fact that Ted Blount's team boasts seven regulars batting over .350.

Captain "Pete" Hill sent in two runs in the fifth with a beautiful drive to deep center. Jimmy Lyons led the attack for both teams with three hits. L. Duquay has the honor of being the first player of the visiting teams to deliver a home run at Mack park this season, the Cawper outfielder poling the ball out of the park in the sixth inning.

Hewitt and Cooper were the fielding stars, "Joe Bill" starting two double plays and making a circus catch in the first inning while kneeling on the ground. Score:

Wilberforce Defeats Marcos

Dayton, O., April 24.—The College boys materially aided by errors of Mgt. Taylor who seemed to have an off day

in the field making two costly errors at critical stages and a timely hit by Lane the fast third baseman of the Collegians with the bases loaded spelled undoing of the day for the Marcos.

Both teams put up a good article of ball and the game was a pitchers' battle between Gray of the Marcos and Lowry of Wilberforce and was marked with great effectiveness on the part of the coming moundsmen. The former allowing but three hits while the latter was touched up for a quintet of bingles, however he managed to keep them well scattered and tightened up when in a hole.

The score was 3 to 2.
