

WESTERN TEAMS TO INVADE EAST

By *DAVE WYATT*

Joe Green's Chicago Giants will leave Detroit this week for an invasion of the Eastern circuit, opening Sunday, Aug. 15, at Buffalo, N. Y., against "Home Run" Johnson's Pittsburgh Giants.

Greens bunch have been going big guns here of late, having added a collection of new and classy material to his roster and they have showed a few wins over the best teams around the circuit. The work of Luther, the crack south-paw, has been sensational and the ability that Taylor and Chase,

right handers, have been flashing stamps the Chicago Giant hurling staff as among the leaders in the new circuit.

It is thought that several of the Western circuit teams will follow the trail of Green to the East, and in that way, the Bacharach's will have an opportunity to tackle such teams that their schedule does not arrange for during their tour West. The Bachs have an option for the use of the Brooklyn National League park on open dates and as they draw thousands to all games there, the Westerners, no doubt, will reap a financial harvest, and the fans of that section will be in for a view of some real pastiming.

The Cuban Stars will open against the American Giants at Schorling Park, Chicago, Aug. 15, with an exhibition game on tap at Gary, Ind. for Saturday, Aug. 14; following them comes the Kansas City Monarchs for a three day conclusion of the fierce battle that was waged here of late

in the far West City; as these two teams pulled every thing except civil war in their late go, the Fosters getting the worst of the fighting, no doubt whatever, the fans of the Windy City will turn out by the thousands, as they did at Kansas City for this series will decide the winner in the pennant drive.

The Kansas Citys tackle Blunts Detroit Stars before coming to Chi and will be right on edge for the battle, which promises to be a hair-raising, grueling affair.

Aug. 15, the Bacharach Giants go to Indianapolis for a shot at Taylors A. B. C.'s and as the Hoosiers have been nibbling right at the heels of the leaders all season, and have re-

cently added new material which has gained them much prestige, the Easterners will find a formidable foe when they get to Hoosierville.

The Dayton Marcos will charge the St. Louis Giants enroute from the far West and may be in for a beating, as the Mound City crowd are going big, having won a couple of games from the American Giants, one of them a shut-out, 5-0. At any rate,

these games for late August are very important, as they have a direct bearing on the final standing of the teams in the new circuit; and with each team up on their toes fighting tooth and nail, and all of the teams showing ability to take a fall now and then that means a lowering of the colors of the Foster club, the race is certainly waxing hot. The managers believe that the Chicago crew have winded themselves setting the pace; they have ganged against them and unless the signs fail the real battling in the circuit has just begun and Sept. 1st is going to see the fiercest contests for supremacy that has ever occurred in any baseball organization; and the winner of the majority of the games for the next two weeks is going a long ways towards deciding the pennant winner in the new circuit.

GIANTS WALLOP EAST-ERNERS SUNDAY

Big Dick Redding found the going awful gory here last Sunday when "Rube" turned those terrible diamond terriers of his loose into the pit. The big Chicago Boss allowed himself about one inning for a general sum-

ming up of the situation and during that time the Bachs shoved two runs across the counter; the New Yorkers at once assumed a chesty pose and began to turkey trot. In the Giants half of the first Gardner was an easy victim, Marselles to Pierce, but Malarcher worked big Dick for a pass and found stealing second an easy job. De Moss flew out to left, but Torrentti stung one for two sacks scoring a man and Jim Brown beat one out down the first base line scoring a runner, when Gans ended the inning with a strike out. Result: Two hits, three stolen bases, a base on balls and two scores. There was nothing of note on the ins of the Bachs as William retired 'em in one two three order until the seventh when Pierce's Texas Leaguer resulted in a score at the expense of a mix-up over a ground ball hit by Redding. The Giants picked off a score in the third and fifth frames and then grabbed a whole bunch in the seventh; as the snatching was well under headway, Redding was hurried to the cover of the bench leaving young Ryan in a position which could only be relieved by a score or two. The much touted Cuban catcher, Rojo,

looked like all the rest, the Giants pilfering six bases at his expense. Big "Red" fanned one man, while Williams breezed three. The chief thrills of the affair was the smacking of Torrentti and Grant and a fast double play from third to first, first to home, retiring the side in the fifth. The score:

AMERICAN GIANTS WIN AGAIN

The Foster team of the Western circuit won the third game of the series with the New York team, the contest going ten innings to decide the winner. "String Beans" Williams proved a mighty tough nut for the Chicagoans to crack, pitching one of the best games seen here this season. He fanned Torrentti in the eighth with bases packed, also Mathol and set down the first two men to face him in the ninth on strikes. Tom Johnson pitched magnificent ball for nine frames, the Easterners gleaning but four hits off his delivery. Tom Williams went two rounds holding the Bachs until the tenth when the home gang put over the winning

marker. Gardner beat one out to Lundy, causing the latter to throw wild to first, the fleet foot one going to second; then Malarcher stepped up and stopped the show when he slammed one on the nose to left, scoring Gardner and ending the fray one to the good for the home team. The score:

GIANTS LOSE AT GARY

Gary, Ind., Aug. 11.—The Bacharach's Giants downed the American Giants here last Saturday by the score of 11-4, Treadwell holding the Chicago team to four hits, while Marshall and Wickware were hit hard and often enough for the Eastern team to win with ease.

MARCOS DEFEAT MONARCHS 13-8

Kansas City, Aug. 7.—The Daton Marcos defeated the home team here last Saturday by a score of 13 to 8. Ragland and Coleman were on the mound for the visitors and Curry and Smith did the hurling for the home

team. The Monarchs won the Sunday contest by the score of 4 to 1.
Cuban Stars Here Sunday

The famous Cubans will tackle Foster's team Sunday at Schorling Park and will fight out a five-game series. The islanders have found themselves and have been making life miserable for all contenders. Last week they downed the McCoy-Nolan team of Milwaukee, the team that beat the American Giants; the Cubes put two games over on them and in their present form, it would occasion no great alarm if they down the local champs.

STARS BEAT CHI. GIANTS

Warfield's Long Drive in Ninth Inning Noses Out Visitors.

Detroit, Aug. 7.—Detroit Stars scored another victory Sunday afternoon at Mack park, when they defeated the Chicago Giants in the first game of a series, 5 to 4. Warfield's long drive in the final inning, scoring Holland from second, decided the contest.

Lyons and Wesley also shared in honors at the plate the latter hitting a homer over the right field fence in the sixth, scoring two runs.

The Giants will play the Stars four more games.
