That game of ball last night—the best we have had on the local diamond—has only whetted the appetite of the local fans for the game tonight, which will be called at 6:15 sharp. Manager Sampson tells us that he has secured for pitcher for this game Pitcher LaBoisneier, recently released by the Boston club. The Winnipeg Giants also have a new pitcher that has some juice connected with his delivery and the game tonight promises to be a thriller. The local team is a crackerjack and we have a real team now, one that any town can get behind enthusiastically. Our fans appreciate good baseball and they are getting it right along.
