
WANTS GAME IN JAMESTOWN.

The manager of the Winnipeg Giants writes the Alert:

"I take this means to locate in your city the managers of your baseball teams. I anticipate the pleasure of booking the Winnipeg Giants for a game during the season of 1920.

"I have carefully reorganized the Winnipeg Giants into a strong, efficient club of players, which will guarantee the public a run for their money.

"As their manager and owner I am hopeful of a schedule game in your city. What is the offer?

"This team is composed of colored players exclusively."

Signed,

GEORGE REID,
