The Winnipeg Giants trimmed up the fast Cooperstown bunch yesterday in an interesting game. The score was 5 to 3. These same swatters of the festive base ball will appear here again tomorrow afternoon at 5:30. Valley City expects to have another new pitcher for this game so there will be oodles of sport to the fans.

If you want to see a real ball game—one worth while—come in tomorrow afternoon and see the Winnipeg Giants get trimmed by the Valley City bunch. It is our time to make a killing and Manager Sampson is now in communication with one of the fastest pitchers in the national league. He says to sustain his reputation as to veracity wherein he says we have a real ball team he must get this pitcher. Rogers will send a big bunch of rooters to the game tomorrow.

The game between the Winnipeg Giants and the Valley City base ball teams will be played as scheduled at 5:30 this afternoon, the management of the association announced this morning. A good game is assured as both sides have got a strong array of swatters. If we would have had Babe Ruth for a pinch hitter last Tuesday the final score would have probably shown up about three or four points bigger for Valley. Ruth plays with the New York team and has a total of fifteen home runs to his credit so far this year.
