

LOCALS TO PLAY AT DEVILS LAKE

**Wednesday and Thursday;
D. L. Men to Play Here
Saturday and Sunday.**

The Grand Forks city team will travel to Devils Lake Wednesday to play against the Lake team on Wednesday and Thursday, June 10 and 11. Devils Lake is reported to have one of the fastest teams in the state this season, four or five players on the team having tried out with the American association.

The Devils Lake players will play two return games at this city next Saturday and Sunday. The Saturday game will be played at 6:30 p. m. and the Sunday game at 2:30 p. m. After cleaning up the Winnipeg Giants the local players are confident that they can clean up any other team in the state, even though Devils Lake has an exceptionally fast team.

In speaking of the Grand Forks club before leaving, S. S. Gordon, manager of the Winnipeg Giants, said that the local club was the best he had run up against this season. "They are a well organized bunch," Mr. Gordon said, "and they play ball like big league clubs."

The game listed on the schedule to be played with Drayton at Drayton today was postponed. Sherman Schlosser, secretary of the club, announced today.
