

Minot Baseball Team Trims Drake

The Drake baseball team arrived in Minot Saturday afternoon to play two games, one Saturday evening and the other Sunday afternoon. The local boys proved too fast for their visitors and both games were very one-sided. Saturday's game ended with a score of 16 to 2, and Sunday's game 11 to 0.

Manager Twiford has booked the Winnipeg Colored Giants for three games, Saturday evening, Sunday afternoon and Monday evening. The Giants are considered one of the fastest teams on the road. Minot will have several new men in their line-up and the games no doubt will be very close. Shirley will likely pitch the opening game.
