The Valley City ball team will have a busy week this week if the weather man does not interfere. Today they are playing at Page, Wednesday they meet the fast team from Oakes on the home grounds, Thursday and Friday they will meet the Winnipeg Giants on the local grounds and Saturday and Sunday the local fans will have a real treat by seeing Jamestown get the trimming of their young lives. Reports have reached us from Jamestown way that they are coming down to win those two games and there will be no good base ball talent left between Chicago and the Pacific coast as Jamestown will have it all. So much the better—the bigger they are the harder they fall.
