HOUSTON NOTES.

The famous Leland Giants, of Chicago, will cross bats with the Black Buffaloes of this city three days, beginning with tomorrow afternoon. The Buffaloes have promised to give the famous tossers a good sound baseball thrashing as they have never gotten before. The Giants have not been underestimated, but the localites believe themselves the Windy City's superiors.

The Black Bronchos, of San Antonio, Tex., defeated the Black Buffaloes in their recent game.

The young men of this city will give all ex-slaves free privileges to the grounds at the Emancipation Park June 19. Any young man wishing to donate for the occasion will oblige J. H. Tanner by seeing or writing to him.

WAXAHACHIE NOTES.

Milroy McCuin, the noted third baseman of the White Rock Sluggers, and who played last season with Walker's Dallas Giants of the Texas Colored League, has gone to Minneapolis, Minn., to accept an engagement with the Minneapolis Keystones, a fast aggregation of ball tossers of that section. We wish you success, "Millie," old boy.

John

Johnson Hill, another of Waxa's best players, has secured a berth with McGar's Fort Worth Wonders, of the Texas Colored League, and has made good. In his first game, with four times at bat, he got two singles, one two-bagger and one three-base hit, and three stolen bases to his credit.

In the game here on the 17th inst. between Oak Cliff and the Waxahachie Wonders, Ollie Thompson (the black "Rube" Waddell) had the visiting team at his mercy. The game was won by Waxa-

hachie by a score of 6 to 2. The Dallas team was never in it at any stage of the game. After the game Manager Lewis Holmes decamped with the gate receipts, leaving the whole team on the city, broke and hungry.

In the game between the Waxahacie High School and the Ennis High School, at Ennis, Waxahachie won by a score of 20 to 4.
