LELAND GIANTS AT HOME.

Have Been in the South for Several
Weeks Playing Winning Ball.

CHICAGO, Ill.—The famous Leland
Giants made their first local appearance
this year Sunday against Jimmy Calla-
han's Logan Squares, the contest being the
first one at Callahan's Park in the league,
and also the colored team's first shot for
the local championship. The Lelands, who
have the same lineup as last year, with
Gatewood added to the pitching staff, are
said by Manager Leland to be stronger
than ever in their history.

For several weeks the colored boys have
been barnstorming through the South, and
are ready for a hard battle against the
other teams in the Chicago league. Walter
Ball is said to be vastly improved over his
old form, although he showed high class
toward the end of last season. During the
winter he has been pitching in the Cuban
league, and he has picked up a lot of new
curves that are expected to make him the

equal of "Rube" Foster, who has wintered in Chicago and lacks midseason form so far.

A. B. C.'S DIVIDED WITH DANVILLE (ILL.) UNIONS

"Ranites" Win First Game, but Visitors Take Second by a Score of 7 to 5, with S. Johnson in the Box.

Five hundred fans saw the A. B. C.'s and the Danville (Ill.) Unions break even in a double header Sunday afternoon at Northwestern Park. Talbott pitched the first game and won it by a score of 5 to 2. Talbott the visitors four taps and made several good plays. While the "Ranites" made five runs the Illinois boys were credited to the same number of errors, which accounted for their poor showing. Talbott fanned eight men and walked but one.

"Griff" pitched the second game, but couldn't win. L. Johnson pitched for the Unions and seized the game by a score of 7 to 5. Johnson is an old A. B. C. star and worked earnestly to show the locals that he was as strong against them as he was when with them. The Unions found "Griff" for seven hits, but the little pitcher, with the smile, never lost his head. With five errors marked against the visitors the localites should have won this

game. The A. B. C.'s played good ball, but luck was against them in the second game. Only four times did the home boys misjudge the sphere, while the visitors lost heads on ten different occasions.

Lolla played first base and held it down without a single bad play, while his opponent lost his grip for more errors than the A. B. C.'s made in both games. The games at the park are now beginning to take on class and the "Ranites" are determined to hold their own with all comers.
