
EXCITING BASEBALL GAMES

Saturday's and Sunday's Contests Will Be Best of the Season

Tomorrow's baseball game will be with the Nationals of Cohoes, the fast team booked here for last Saturday's game which was cancelled on account of rain. The visiting team will be composed of all the best players available in Cohoes, including several from the well known Star team. The battery for the local team will be Haynes and Burrington. Zinsaar will play in center field.

Sunday's contest will be with the Pittsfield nine, undoubtedly the fastest team in this section. Each team has won one game and the interest is at a high pitch.

Corey and Shultz will be the local battery. It is expected that the battery of the visiting nine will probably be the "newly-wed" Armet and Meegan. The Pittsfield team plays the Brooklyn Royal Giants.

Pittsfield defeated North Adams on Thursday 8 to 2. Corey the local pit-

caer, was in the box for the Tunnel city team but was taken out at the close of the fifth inning, after the balloon went up. Pittsfield won three straight games from North Adams this week.

Brennan of Schenectady who played first for the General Electrics July 5, will cover third both Saturday and Sunday. Cherry being laid up with a carbunkle. He has played with Hoosick Falls and is known as a fast man. Waters will be in the game again, much to the delight of the fans who admire his fast work at short. Carl will hold down the second sack.

There will be a baseball game at Morgan park tomorrow afternoon at 1.30 o'clock between the Colonials, captained by Fred T. Corbett and the Novices captained by Edward J. Hall.
