

BASEBALL NOTES

Burlington, With Corey in the Box, Trims up Pittsfield.

Burlington defeated Pittsfield Thursday 8 to 4, thus winning two out of the three games of the tercentenary series. Corey, who is the regular pitcher on the local team, was in the box for Burlington. To him must be given the credit for the winning of the series. He pitched a heady game and had the Berkshire boys under control all during the game. His work in the tercentenary games has been a revelation to the local fans. Jack Ferry, who pitched for Pittsfield was badly bumped, six hits piling up against him in one inning.

Corey and Burrington will be the battery for Bennington tomorrow against the Arsenals of Watervliet. The visiting team has the reputation of being exceptionally fast and local fans should witness a game to their liking.

North Adams was defeated Thursday 16 to 9 by the Philadelphia Giants.

Manager E. S. Higgins attended the Burlington-Pittsfield game in Burlington yesterday.

The Pittsfield baseball team arrived here from Burlington this morning on the sleeper and put up at the Putnam house. They departed for the shire city on the 9:45 car.
