
Kenosha Base Ball Team to Play the Union Giants of Chicago Sunday

The base ball season in Kenosha will be properly opened at Breen Park on next Sunday afternoon when a double header will be played. The opening game will be between the Kenosha Riversides and the All Nation team of Chicago. This team is the most unique bunch of base ball players ever sent out from Chicago and it includes a representative of nine nations, including a Chinaman. The second game will be between the Union Giants of Chicago and the Kenosha Lake Shore League team. Pulse, Smith and Cleary will all be in the box for Kenosha and they will be backed up by the regular team. The first game of the regular schedule will be played late in the month.

It is declared that there will be no change in the make-up of the Lake Shore League and that the plans for the proposed Wisconsin-North Shore League have fallen through.
