
THE GAMES THAT ARE NOW BOOKED

Grand Rapids Goes to Deer River Sunday—The “Colored Gophers” Here Tuesday and Wednesday.

Grand Rapids people can expect to see some good base ball games on June 29 and 30 and on July 4 and 5. The “Colored Gophers” of St. Paul will be here on the first mentioned dates and the Marshall-Wells team of Duluth will play three games here on the last mentioned dates.

The Grand Rapids team will go to Deer River Sunday and with the line-up considerably changed and strengthened they expect to wipe out the remembrance of last Sunday's game. A large number from here will accompany the team to Deer River.

The “Colored Gophers” will be here

on Tuesday and Wednesday, June 29 and 30 and the base ball enthusiasts can "bank" on seeing some snappy ball playing. During the season of nineteen-o-eight the "Gophers" only lost twenty-one out of one hundred and sixteen games played, so it can plainly be seen that there are no back numbers in the bunch.

The Marshall-Wells team will play one game here on Sunday, July 4th, and two games on Monday July 5th, one at 10 o'clock A. M. and one at 3 o'clock P. M. The Marshall-Wells team have a reputation for playing nice clean ball and a large turn-out is expected.
