17DE MAI IN KENYON

NORWAY'S INDEPENDANCE DAY
WILL BE A HOLIDAY IN
KENYON

COLORED GOPHERS PLAY HERE

BAND CONCERT IN AFTERNOON,
BIG PUBLIC DANCE IN
EVENING

Monday, the 17th of May, there will be a grand Norwegian celebration in Kenyon. This Norwegian Independence day will be observed in nearly as fitting a manner as the American Inde-

pendence day.

In the afternoon Santino's Military band will furnish some good music.

Then at 3:15 the main attraction of the day will take place. This will be the much talked of base ball game between the St. Paul Colofed Gophers and Kenyon.

The Gophers have a rattling good team this year and their coaching is sure to make the people roar until their sides fairly ache.

Kenyon will also be there with a line up, Doyle of St. Thomas will do the twirling, assisted by 'Billie' Corrigan. "Polly" Foss will do the receiving and happy Charlie Shields will play with Kenyon.

In the evening a grand public dance will be given in Clausen's hall. Good music will be furnished and it is hoped that as many people will attend as possible.

So now all you true loyal Norwegians turn out and celebrate the anniversary of your mother country's independence

day as a swell program has been ar-
ranged for your benefit.
