Ellendale Victorious Again.

The game of base ball between Ellendale and Albert Lea at the base ball park in Ellendale last Sunday afternoon resulted in an easy victory for Ellendale by a score of 7 to 5. The game was rather one-sided, Ellendale having the upper hand all the time and the Albert Lea fans made life miserable quarreling and wrangling over innumerable plays and failures not according to their liking. The game made the fact Albert Lea is not in the class with Ellendale apparent to all who saw the game.
