Minneapolis fans will get an opportunity to see the Keystones and Gophers in battle this afternoon, for the rival colored teams are scheduled to meet at Nicollet park in the second game of a series which is to settle the semi-professional championship ambitions of these two clubs. The Keystone and Gopher teams have been touring the Northwest, meeting the strongest teams of this section. Each aggregation has a splendid record so far and the final games should find both clubs ranking among the best in the state.

Last year the Gophers got the long end of the series with the Keystones and the St. Paul team was proclaimed champion, but the locals hope to turn the tables this time and the games should be strenuous battles.

New faces will be seen in both lineups this afternoon when the dusky ones

meet. Managers Mitchell and Reid have secured new men who add greatly to the strength of their teams, and both clubs are said to be playing a much stronger game than last season.

Manager Newgard and his Mankato colts will wind up their two-day series with Hastings at Mankato today and another big crowd is expected to be on hand to see the battle. The end-of-the-week attractions last week were games with the Colored Gophers of St. Paul, each team taking a victory. This gave Newgard's men a record of 9 victories and 3 losses for the season.

Dell Rapids, S. D., has a team that is making the fast independent aggregations take notice. Last week the Dako-

tans took on the Colored Keystones, and while defeated 2 to 1, the Rapids men put up a great game and the colored boys had to work all the time. Dell Rapids wishes to get games with Minnesota and North and South Dakota teams. For
