The Colored Gophers returned to St. Paul Friday after the longest trip ever taken by the team. Leaving St. Paul June 13 they played a schedule of 34 games, including two double-headers, winning all but five of these and one a tie. The team is working fine now and is in great trim for the coming series for the world's colored championship with the crack Leland Giants of Chicago July 26, 27, 28, 29 and 30 at the downtown park, St. Paul. The announcement of this series has created no end of comment and fans are coming from far and near to see these games.

Johnnie Taylor, "steel-arm Johnnie," who joined the team June 7, has not lost a game as yet, having won all 14 he

pitched, four of these being from Hibbing.

Johnny Davis of no-hit fame, who was a big factor in helping the Gophers establish the wonderful 1907 record, is again with the team and pitching the same great ball that characterized his work in past seasons.

Bobby Marshall is a big hit all over the circuit and never fails to get the

glad hand for his wonderful fielding stunts around first base.

Willie McMurray has been the hit of the team with his catching and his throwing to bases has caused the natives to set up and take notice everywhere.

During September the Gophers contemplate a tour of the Southern cities, including Indianapolis, Louisville, Birmingham, Nashville, Mobile and New Orleans.
