

Local fans will be treated to another great contest this afternoon in the meeting of the famed Hibbing and Colored Keystone nines. The game will be played at the Nicollet park. Manager Mitchell has a wonderful aggregation of losers; the Hibbing nine is also composed of stars, the game, therefore, will be a dandy and well worth the patronage of every local lover of good baseball.

The Faribault nine, under the management of its leader, Ed Kehoe, will present a noble front. The Faribault team has, without doubt, the hardest hitting team in the state. This was best exemplified in their last week's games with the Colored Gophers. If Cook is able to hold Manager Kehoe's sluggers at bay, Red Wing will win. The Faribault nine has gained noticeable strength in securing Chicken and Mehling, these boys are true ball players.

* * *

Waterville plays the Colored Gophers on June 8 with Harry Hughes of St. Peter on the firing line and Jacobs catching.
