

GET READY

For the Big Fillmore County Fair Aug.
31, September 1, 2, 3.

The Management of the Big Fillmore County Fair and Street Carnival have completed all arrangements for the holding of its 50th Annual Fair.

The stock exhibit promises to be the largest in years; many prominent breeders from outside the county have promised to show their horses and cattle, while the Floral Hall will be filled to overflowing.

Following we give a partial list of the many things you will see:

FREE ATTRACTIONS.

The Electrical Utts in their aerial trapeze act. This troupe is unquestionably the finest in the land.

The Up-Side-Down Zeraldas. This is positively the finest lady and gentleman act in America. They have been engaged as a special Grand Stand attraction at the Minnesota State Fair the week following.

The Great Bosards, in a series of accrobatic tricks that are startling surprises.

The Electrical Utts in a comedy revolving ladder act, the like of which was never before seen in this section of the country.

SPEED PROGRAM.

Entries are coming in every day and it is now a positive fact that there will be a big string of horses here and visitors will see the fastest races ever pulled off in this section.

BASE BALL.

Those who like base ball, and all of us do, will be entertained to their hearts content. On Wednesday, Sept. 1 the fast Harmony team will play the Caledonia Commercials; Thursday, Sept. 2 Minneapolis Colored Keystones vs. St. Paul Colored Gophers; Friday, Sept. 3, Harmony vs. Colored Gophers.
