

## Base Ball Notes.

Osakis Review: "Mr. Harry Caughren took Dr. Gilkinson, W. A. Field and C. H. Bronson over to Long Prairie Friday afternoon to see the Long Prairie ball team shut out the Colored Gophers by a score of 4 to 0 in one of the best games played this season. Honors were even, however, for the following day the Gophers turned the tables on Todd County's Invincibles by scoring seven times and shutting out their former victors. It looks easy money for the Gophers to win at least half the games with the strongest northwestern teams and the dusky fellows seem to make a specialty of taking the last game in the series."

Osakis Review: "The dope to date would seem to justify the guess that Alexandria and Long Prairie are the strong ones this season and when these teams get together at Long Prairie July 10 it will be a battle royal."

The Colored Gophers defeated Hibbing in their first game at Hibbing Thursday, the score being 5 to 3. George Sage pitched for Hibbing and Taylor for the Gophers. The defeat was the first that Hibbing has sustained in several weeks. Binga and Marshall for the Gophers, also Carroll for Hibbing got three hits each out of four times up. Milliner who hit the home run on the local grounds, hit for three bases at Hibbing.
