**BASE BALL.**

**Two Big Games Scheduled for Sunday  
and Monday.**

Sunday and Monday, May 30th and 31st will see two of the hardest fought games that Faribault baseball fans have ever seen on the local diamond when the Colored Gophers come down here. Last season they beat the local team twice and this year, from the way the Flecks are playing, they will have trouble on their hands to do it again. Marsh, the clever left handed pitcher from St. Thomas will be seen in one of the games and Lamb, who has gained such a reputation, and is such a favorite here, will be seen in the other game. Be sure and see both games as it will be worth your time.
