

# BASE BALL NOTES

---

KENYON WAS DEFEATED IN FIRST  
GAME OF SEASON BY A  
SCORE OF 6 TO 0.

---

## HIGH SCHOOL AT DODGE CENTER

---

MEAN TO TAKE GAME TODAY.  
LAST WEEK'S GAMES CALLED  
OFF ACCOUNT OF RAIN

---

Tw was a great old game at Rehnke's Field last Monday, Of course the Gophers won but it was a credit to the local team to hold them down as well as they did.

Doyle of St. Thomas did the twirling for the local team and everyone conceded that he is as good a pitcher as has been seen on the Kenyon diamond. He had the gophers guessing all the

time and with better support and a little better luck the score would have been a trifle less.

Kenyon had a patched up team but they showed the right spirit and there is material for a fine team.

The Gophers have an infield and outfield that is almost without a doubt as fast as any association team, and with "Rat" Johnson doing the receiving it is impossible to purloin a sack or two.

\*Doyle batted out of turn. Two base hits: Mogren, Johnson, Barton; Sacrifice hits; Shield ; Anderten, Doyle, Wallace, McMurray (2), Binga; Bases on balls: off Doyle 1 off London 2; Struck out: by Doyle 2, by London 4; Double plays: Doyle to Mohn, Wallace to Marshall, McDougal to Marshall: Stolen bases: Binga; Wild pitch: Doyle; Left on bases. Kenyon 4, Gophers 4.

Time: 1 hr. 35 min Umpire: Ed, Foss.

How did you like it?

Pretty classy lot.

Even though they are "dusky" in color they are "white" in their playing.

And the captain batted an example. Look out Mr. Mohn or else you'll pass the 500 mark.

Anderten played third base about as classy as any Kenyon player has, and Lordy but he can gobble those bunts.

Mogren for an inexperienced man did the star work of the day, and he deserves a great deal of credit. Only one stolen base against him and that was excusable.

Did you see that "niggah" run. Like a streak of lightning, wasn't he?

Norwald of Zumbrota played right field for Kenyon. He had a little hard

luck with his hitting but he managed to sting them on the nose. A couple of years ago he was St. Olaf's best player.

"Polly" Foss is doing the receiving act for Redwood Falls and as usual is making good.

"Happy" Shields played with us. He will always get the glad hand as long as he plays with Kenyon.

Says the St. Paul Dispatch: "Naeseth of Luther college, Monday shut out St. Olaf without a hit, 7 to 0. This makes three straight shutouts for Luther and is also the third no hit game he has pitched this year. He fanned 15 men.

The two High school games scheduled for last week were called off on account of bad weather. Today (Wednesday) they play at Dodge Center.

There is no game scheduled for Sunday but it wont be long before we have them steady.

How did you like the suits? Pretty nifty, eh!

The Gophers only got four clean hits off Doyle, the others being purely luck and by the scoring rules are not called hits. He's good enough for us.

Owatonna will have no baseball this season in consequence of the inability of the association to secure grounds for the games.

## BIG CROWD HERE THE 17TH

Monday, May 17th was quite a holiday in Kenyon. All the trains on the Chicago Great Western and the Chicago Milwaukee & St. Paul brought in visitors. Wanamingo, Nerstrand, West Concord, Skyberg and the country districts were well represented. Our public schools closed for the afternoon.

There was nothing doing in the forenoon. In the afternoon' Santino's Military Band give a short concert from their band stand on Main street. After the concert the crowds went out to the Rehnke Athletic field to witness the baseball game between the famous St. Paul Colored Gophers and the Kenyon team. This game was the big attraction and over four hundred people were in attendance. The result of the game will be found in the baseball column.

After supper another band concert was given. In the evening a public dance was given in Clausen's hall. The affair was well conducted and well attended. The Royal orchestra furnished the music.

The ball game and dance netted the the baseball association a neat sum over expenses.
