

Manager Mitchell, of the Minneapolis Colored Keystones nine, has closed negotiations with Mike Cantillon for the use of the Minneapolis club's ball park. The Keystone manager has now completed his line-up and is now in all readiness for the hard and strenuous schedule which he is arranging for his star dusky aggregation.

* * *

Minneapolis baseball enthusiasts will be given their first opportunity to witness the Colored Keystones club in action next Sunday. Arrangements are now under way for the opening struggle. It is planned to organize a star local nine for the day, the team to play under the name of the "all stars."

* * *

The St. Paul Colored Gophers have added two more star negro tossers to their already seeming complete list. Secretary Williams is now busy completing a schedule. He is very desirous to hear from all the leading clubs of the Northwest. Communications should be addressed to him at 40 East Third Street, St. Paul.
