## Merrill, Wis., Comes for— Two Games at Nicollet

### East Badger State Team Will Meet Colored Keystones.

Two games at Nicollet Saturday and Sunday will keep the ball fans in patience awaiting the arrival of the Minneapolis team later in the coming week. The Colored Keystones will take on the Merrill, Wis., team in a series of two games on those days and the contests will rival those with the Hibbing club in interest. Merrill is the only team outside of Hibbing that has been able to take the Keystones' measure this season. Each team won a game in a series at Merrill earlier in the fight and the result of the games Saturday and Sunday will go a long way in deciding the question of supremacy.

Jessup will pitch the Saturday game and Jackson that of the following day. Manager Mitchell of the Keystones has got a string on a new finger from Brooklyn and with his arrival the Keystones will present the most formidable semi-professional pitching staff in the Northwest. The new man is William Diamukes with a record of 12 games

won and none lost last season. He is a speed pitcher of Jessup's style.  
The coming two games with Merrill will close the Keystone's stay at home and it will be late in July before they return. The team leaves Monday on a long tour of Southern Minnesota and Iowa, playing nearly every day.
