

ONE GAME FOR EACH

THE CONTEST SATURDAY WAS
WON BY THE GOPHERS.

Mankato Took Sunday's Game; Mak-
ing a Game for Each Team;
Work of the Contestants.

From Monday's Daily.

The first game of the two went to the Colored Gophers, the score being 7 to 1. It was a good game up through the fifth inning, although Sheldon was hit hard, the fielding was good. We made one in the fourth and they did the same thing. That was all for us. They made four more in the fifth. In the sixth everybody was in the air, for those that like to see the ball hit and lots of runs it was there—plenty of action.

Sunday's game was a different story; there were no preliminaries; the big show started with the first ball over and the fun never let up for one minute. It was baseball all the time.

In the first inning the Colored boys landed for three safe ones, but were unable to score. In the third Mankato counted up three scores and that was all for them. Then the Gophers made one, and that was all for them. The excitement never let up, the Gophers had four chances to score, but McCleary's head work left them on bases, once with three men on bases, twice with two, and in the last inning with only one down, a man on the third. The next man up hit to Ragnas, who put out the man without assistance. Then the awful finish, the kind you read about. Taylor was up to bat, with a chance to bring in the man on third, and start things. He did start things but only for a minute, his awful swing landed fair and square on the nose up in the air, but Manager Newgard was there when it came down, the game was over.

Next Saturday and Sunday the fast Hastings, Minn., team will be taken on by the locals.
